AGENDA:

- Introductions – Al Rainsberger
- Pure Space – Matt Ballou
PureSpace offers complete property restoration and industrial cleaning services in Oregon and SW Washington State. We use cutting edge, non-toxic products and technologies to restore buildings and materials without leaving harmful residues or messy clean-ups. We specialize in mold prevention and removal, odor elimination and water and fire damage restoration. <http://www.nomoldor.com/contact-us/about-us/>
- MDSI/Discovery Health
We have the most comprehensive suite of services to help protect the health and livelihoods of your mariners – while mitigating financial risk for your company. Our team of highly experienced physicians in maritime, emergency and travel medicine has a deep understanding of the medical, regulatory and legal issues affecting the commercial maritime industry. Have peace-of-mind as we help manage your most precious resource – your officers and crew. www.discoveryhealthmd.com
- MACOSH Update – Al Rainsberger
Charter on hold per POTUS as no Secretary of Labor has been appointed yet.
